BUILDING DEPARTMENT UPDATES

Town Supervisor Judi Bosworth would like to remind residents that the Building Department Applicant Advocate will be holding mobile office hours this fall throughout North Hempstead as well as community-based hours for seniors by appointment. She would also like to remind you that the Reconciliation Period that allows residents to avoid the four - times permit fee that would normally be incurred for construction, improvements and alterations done without proper permits and inspections, is scheduled to expire at the end of the year. Call 311 for more information on both programs.

CAPITAL PLAN TAKES SHAPE

The 2014-2018 Capital Plan approved by the Town Board earlier this year is underway with several major projects already reaching completion throughout the Town including:

- Grand Street School demolition in Westbury
- The Allen and Brian Street drainage project in New Hyde Park
- The Hempstead Harbor Shoreline Trail expansion project in Port Washington
- Turning lane project on the corner of Manhasset Avenue and Plandome Road in Manhasset

Stay tuned for more projects coming to a community near you. The entire 2014-2018 Capital Plan can be viewed at www.northhempsteadny.gov/CapitalPlan.

Supervisor Judi Bosworth, Councilman Peter Zuckerman and Allen Street homeowners look over the drainage project.
